

## ST. Francis Medical Mission, Inc.

"For it is in giving that we receive." Francis of Assisi

St. Francis Medical Mission is committed to deliver the best compassionate care and the best medical and dental care with a smile to those most vulnerable in Central and South America and underserved countries.

1. All medical missionaries must be at least 18 years old to be able to join St. Francis Medical Mission, Inc.
2. It is not necessary for the prospective medical missionary to speak the language of the country we will serve.
3. It is the expectation that all medical missionaries complete required preparations prior to departure, including but not limited to: obtaining immunizations, be in optimal medical condition to participate and have all necessary paperwork and international travel waiver signed.
4. It is encouraged that all medical missionaries participate in the designated time for prayer, meditation or reflection daily during the mission trip.
5. It is the expectation of all medical missionaries to support each other, in every way possible, including but not limited to set up and clean up after each clinic day.
6. It is the expectation for dentistry and health care professional missionaries to work under the guidance of senior medical missionary utilizing standards precautions and ensuring the safety and well-being of all patients.
  - a. Perform procedures depending on previous experiences, under each individual licensure, or under the supervision of senior professionals.
7. It is the expectation for all non-medical professional missionaries to assist in any way possible to aid the dental, medical and pharmaceutical teams in whatever way possible.
8. It is the expectation that bilingual missionaries should be prepared to assist with interpretation for providers in addition to other means of general support within the mission.
9. It is the expectation that every medical missionary will abide by the St. Francis Medical Mission Statement and by the rules set forth by the Board of Directors.
10. It is the expectation that every medical missionary behave in an ethical manner in order to create a good environment among each other and have good attitude to prioritize all needs during the mission trip.
11. It is the expectation that every medical missionary communicates in a positive manner on the mission trip.
12. It is the expectation that every medical missionary joins the mission trip with appropriate motives which align with St. Francis Medical Mission Statement.

Each missionary has individual skills, talents and strengths which will contribute to the success of this medical mission by providing quality and effective healthcare with love and compassion to all patients.
